

**SATURDAY**  
**April 20th**

# **FUTURE DAY**

Presented by the UC Davis Veterinary School's Veterinary Student Outreach Club

Do you like science? Do you love animals? Do you want to be a veterinarian?

Join us for a day of interesting case studies and hands-on wetlabs! Activities may include interpreting radiographs, tying basic sutures, animal training exercises, learning CPR, examining bone specimens, learning about exotic animal care, and more!

9<sup>th</sup>-12<sup>th</sup> graders welcome.

Register at the following link beginning February 15, 2019
